Father Rick was wonderful for St. Edward parish and school. The kids loved him. He was positive, funny and faith filled. Prayers for his family. Rest in peace amid the angels, saints, mother Mary and our Lord.

I knew Father Rick from Saint Edward School. Father Rick did so much for my family... he gave us a home when we were homeless, helped with Christmas, paid family bills... the list goes on. I am eternally grateful to have had his love and guidance as a young girl. - Julia Gowen Adams

I am so sad to hear the news of Fr. Rick's passing. In college, I worked in the rectory at St. Joe's in Cold Spring where he was the Parochial Vicar and I grew to know him well. He took my fiancé under his wing and because of Fr. Rick, my fiancé converted to the Catholic Faith. It was very special to us that Fr. Rick agreed to preside over our wedding in 2001. We treasure our memories of him and have always said that he was our favorite priest because of how engaging, humble, and kind he was. I will pray for him and for his family. This is truly a loss of a spiritual light for my husband and me. Beth and Mike Rowland

Fr Rick was one of the funniest, most caring & faithful priests that I have known. He was a dear friend who loved to share his faith with anyone he met. We had many laughs over the years and boy was his dedication inspiring. Many years ago I heard him speak at a guest speaker at St Catherine's church In Ft Thomas. His talk gave me the kickstart I needed to make my faith a top priority in my life. Thank you Lord for sharing him with us! Rest In Peace my dear friend!

Thank you Phyllis for the texts, the kind words and for being there for me. Melissa

Father Rick was one of my favorite people in the world. I went to St. Edward's school and he was the absolute best part of my journey there. There wasn't a more friendly face to greet you in the morning or an ear more willing to listen when you had an issue. He loved my family and kept up with us all these years later. He will be missed. Praying for your family!
