Dear Excellency,

On four separate occasions I've been submitted to homosexual acts with my pastor, Father John Doran. All of these occasions have taken place at the Viking Sona Bath on Fifteenth street. On the fifth occasion, after consulting Father John Emright of Brophy, Father Doran has invited me to go with him to the Sona Bath which I refused. All five occasions have occurred between the first week of February and the first week of April 1966. On the four occasions Father Doran had me masturbate him, and he sought to masturbate me. We were both in the nude following the Sona Bath.

It is a painful and difficult task for me to narrate these matters to your Excellency. And I have done so at the request of Father Emright.

Sincerely,
