## **Dinner to honor reverend's 50 years**

A testimonial dinner in honor of the Rev. Alvin Manni will be held Sunday at the Sheraton East. Father Manni is being honored for his 50 years of service with Mary Help of Christians School in Tampa. He has been director of the school three times, and is retiring from his position as director of development in which he has been serving since 1984. Manni will be returning to Italy's Alpine region to become parish priest in the parish where he was born and baptized.
