Searches based on names, dates of birth and other alphanumeric identifiers are not always accurate. The only way to positively link someone to a criminal record is through fingerprint verification.

Registrants who leave the state will have their last reported state/country of intended residence reflected in the address portion of their record. Registration information will remain on the web site until the duty to register has expired or other relief allowed by statute is granted. (Art. 62.101 and 62.251 Tx CCP)
