I was shocked to read of Patrick's death. I am so sorry. I was Patrick's advisor as he attended classes and did his internship here at Saint Mary's University. What a wonderful man to work with. Always positive and always wanting to learn more.

We will all miss Patrick with his quick wit and positive outlook. We met him shortly after he came to this country from Tanzania, about 44 years ago...almost a lifetime. He will be greatly missed. Catherine and John Mamer

Patrick taught in our school for five years. There was no person nicer or more positive than Patrick. He will be missed by all of us at MNIC.
