Priest Sails For Summer In Ireland

The Rev. Martin Burke, assistant pastor of the Sacred Heart church, will leave Glendive Wednesday for Ireland where he will be present at the ordination of a cousin into the priesthood.

Father Burke, who has served as assistant in Glendive for three years, will return to this country in late August. He is a native of Ireland and was ordained in that country four years ago, in Tipperary county. He served one year in Great Falls prior to coming here.

While in Ireland Father Burke will visit his mother and brothers and sisters. He is the eldest in his family.

Father Burke will fly from New York City to Shannon airport in county Limerick, Ireland, a southern point in that country.

A Benedictine priest from St. John's college in Minnesota will serve while Father Burke is away.
