

MEMORANDUM

April 24, 1970

Some time ago, I suggested to Father Provincial that it would be better for Regis if he appointed a new principal for next year. I explained that I thought the school was ready for some new leadership.

Father Provincial agreed, and he has appointed Rev. James Bowes, S.J. to succeed me as principal of Regis, effective June 22, 1970.

Amen. Alleluia.

REV. EDWARD D. HORGAN, S. J.

The class of 1970, as well as the entire student body, would like to thank Father Horgan for his patience and hard work. He has done much for each individual student over the past seven years and has improved the school significantly as an educational and social institution. We hope he will do as well for those involved with him during his future assignments.

The students of Regis dedicate this yearbook to Father Horgan.
