

Healing Retreat with Fr. Art Cooney

March 30—April 1, 2001

Jesus invites all who labor with heavy burdens to come to him. This retreat provides an opportunity to give Jesus our burdens and to experience his healing—physically, emotionally, and spiritually. We will journey with presentations, prayer, worship, and song as we rejoice in and experience the great healing tradition of our Christian faith.

Fr. Art is a Capuchin priest whose healing ministry has taken him throughout the US, Latin America, Australia, and several other corners of the globe to conduct retreats such as this one. He presently serves on the National Service Committee of the Catholic Charismatic Renewal and is a member of the Association for Christian Therapists.

Open to ALL Offering: \$110.00
