## Veterans Buried in Oregon Cemeteries

This searchable collection of burial records highlights the lives of veterans interred in Oregon cemeteries, offering a valuable resource for those interested in genealogy and family history research. Whether tracing the service of World War II soldiers or Vietnam Veterans, these listings provide an important record of sacrifice and remembrance. Visitors may search the database directly or browse alphabetically through the names of men and women laid to rest across the state. This compilation serves families, historians, and researchers seeking to preserve the memory of veterans connected to Oregon's cemeteries.

### Transcription focused database

We are the only cemetery records database that preserves each transcription as its own stand-alone document. We do not merge them together to combine records or eliminate duplicates. This allows multiple transcribers to publish their own works of the same cemetery without interfering with each other. [Learn more.](#)
