

Extols Fatima Club's Plan To Build Church in India

The plan of the Our Lady of Fatima Club of the 15th and 16th Divisions of the New York City Police Department to build a church in southern India was extolled by Rev. Protasio Soares at the unit's recent Communion-breakfast.

Father Soares, a member of the Missionary Society of St. Francis Xavier, Pilar, Goa, India, told the organization that the establishment of a church with American funds will have an enormous impact on the natives who have been fed promises by the Communists. The priest noted that the Church must depend on native clergy since foreign missionaries are banned by the Indian government.
