

Father Berg Asked For Reassignment From School Post

Reassignment of the Rev. S. Theodore Berg from assistant superintendent of Buffalo Catholic schools to St. Paul's parish, Kenmore, as an assistant was at his own request, the former administrator said today.

Father Berg, with the school department from 1964 until last month, said he "asked for reassignment from the school department to any other position which the bishop would think appropriate."

He refused to comment on the reasons for seeking the transfer.

Father Berg, who has served in St. Helen's Church, Hinsdale and St. Gerard's parish, has a doctorate in educational administration from State University of Buffalo.
