

Rev. Francis Lamothe

JAFFREY, N. H.— Father Francis Lamothe, 91, died at Good Shepherd Nursing Home, Jaffrey, N.H., on April 20, 1995.

He was dearly loved in Carbon County, not only for his ministry in the Spring Canyon mines, but also his services as first pastor of St. Anthony's Church, Helper, where he served from 1944-1952.

He built the present St. Anthony Rectory with the help of local architects and builders. He established the men's Palm Sunday communion breakfast, which has continued to be an annual event in Helper. He was a dedicated pastor and worked tirelessly for the renewal of faith in his new parish.

He endeared himself to the Congregation at St. Anthony's, where he was remembered in a special memorial Mass on Saturday, July 15.

Emery County Progress (Castle Dale, UT), July 18, 1995
