Archdiocese of New Orleans: Report on Clergy Abuse

November 6, 2026; downloaded and consolidated November 8, 2026

https://nolacatholic.org/reportonclergyabuse

In compliance with commitments made in the Non-Monetary Plan Provisions, the Report on Clergy Abuse has been updated to include dates of clergy assignments within the Archdiocese of New Orleans and the number of Proofs of Claim filed in the Chapter 11 Complex Case, In Re The Roman Catholic Church of the Archdiocese of New Orleans, Case No. 20-10846 that identify the cleric as a perpetrator of Child Sexual Abuse. The fact of a claim made in a Proof of Claim naming a living cleric on this list as a perpetrator of Child Sexual Abuse has been reported to law enforcement, with a pledge of cooperation in any investigation.

There have been questions around whether or not sacraments performed by these men are valid. In keeping with the centuries-old teaching of the Church, the sacrament(s) celebrated by a priest who is on the list is/are valid; there is no need to re-baptize the person or to renew the marriage vows if the sacrament was celebrated by one of these priests. Click here for additional information and Church teaching.

The Archdiocese of New Orleans first published its Report on Clergy Abuse on November 1, 2018. Find that list online here.

Archive of Eligible Documents

As part of our commitment to transparency and to promote healing and reconciliation among survivors and to help prevent Child Sexual Abuse from occurring in the future, the Archdiocese of New Orleans has entered into an agreement with Louisiana State University to house an Archive of Eligible Documents pertaining to child sexual abuse. In accord with Non-Monetary Provision D.1, the archive will include the files of anyone who was included in the previously published lists of clergy identifying those with allegations of abuse and those individuals identified as perpetrators in three or more Child Sexual Abuse Proofs of Claim during the Chapter 11 proceedings. In accord with the court ordered agreements made in the bankruptcy, the records of anyone accused in three or more Proofs of Claim are to be included without any review or determination of credibility.

Below are the names of all those whose files will be available in this archive. When the archive goes live, a link will be posted here.
